16:30 **Wrap up and final discussion**

All

17:00 **End of Meeting**

VENUE INFORMATION

The ESTRO kickoff meeting will take place in room 108 (E1 Building) of the Department of Industrial Engineering of the University of Salerno at 10.30 AM on 17th April 2019. The department is located inside the Fisciano Campus of the University of Salerno. The building has a blue colour. For those arriving by car the campus has several free parking spaces. The parking lot closest to the E1 building E1 is within the restricted area. To access it, it is necessary to communicate the data of the driver and of the car a few days in advance. For those who decide to arrive by bus, the campus has an internal bus station with destinations to Naples, Salerno and Capodichino airport. More information on how to reach the University Campus can be found [here](#). A map of the Fisciano University Campus is available [here](#).

For those who need accommodation, the following nearby hotels are suggested:

- a) [Hotel Santa Caterina \(Fisciano\)](#) (the closest one)
- b) [Hotel dei Principati](#)
- c) [San Severino Park Hotel](#)

For any help and question on the meeting and accommodation you can contact:

Flavio Giannetti
